• WMA sample rates: 8, 11.025, 16, 22.050, 32, 44.1, 48 kHz
• DRM: Version 10

Audio Capturing
• Audio file format: WAV
• Built-in microphone: mono
• Voice recording: ADPCM

Storage Media
• Built-in memory capacity: 2 GB
• Built-in memory type: NAND Flash
• Mass storage class compliant
• Music memory capacity, WMA: Up to 920 tracks *

Connectivity
• Headphone: 3.5 mm
• USB: High-speed USB 2.0

Convenience
• Firmware upgradeable
• Function: Keypad lock

Accessories
• Batteries: AAA Alkaline
• Headphones: AY3809
• USB cable: AY3930
• User Guide on CD-ROM

Software
• Device manager: Device Manager to restore and upgrade
• Windows Media Player 10

Green Specifications
• Lead-free soldered product

System Requirements
• CD-ROM drive
• Internet connection: Yes (for access to updated support documents, manuals, future firmware and PC software upgrades)
• PC OS: Windows XP (SP2 or above)
• USB: Free USB port

Dimensions
• Blister dimensions (WxDxH): 135 x 38 x 195 mm
• Packaging type: Clamshell
• Product dimensions (WxDxH): 31.5 X 23 X 77.8 mm

Power
• Batteries included
• Battery type: AAA / LR03 Alkaline
• Playtime on external battery: Up to 10 hours

Highlights

MP3 and WMA playback

Audio compression technology allows large digital music files to be reduced up to 10 times in size without radically degrading their audio quality. MP3 or WMA are two of the compression formats that let you enjoy a world of digital music on your GoGear player. Download MP3 or WMA songs from authorized music sites on the Internet or create your own MP3 or WMA music files by ripping your audio CDs and transferring them onto your player.

Voice recording

Voice recording converts your GoGear player into a handy dictation machine. Besides playing music or listening to radio, you can also record notes or reminders for work or school, record shopping lists and phone numbers – even song lyrics. By pressing the recording button and speaking into the built-in microphone, voice messages are compressed and stored in the built-in internal memory. Voice recording gives you a highly portable voice recorder allowing you to record anything, anytime and anywhere!
